## **Testimonial**

To Whom it May Concern,

My name is Angela Vanderlouw and I am an Event Co-ordinator for Maverick Marketing and Communications. I have been working with Westpac on an initiative called "100 Things We Love About Our Town" for the past year and I am writing to you to highlight the fantastic work done by Cody and Staff at Twisted Designs.

I first discovered Cody and his team in May of this year and I have not looked back since. Any events we have been running in QLD and NSW have been highlighted by the fantastic work Twisted Designs had delivered. They have been THE draw card to our events and both kids and adults enjoy their exceptional work.

Considering we required colourful shots of kids enjoying themselves at our Family Day's for our press releases Twisted Designs has delivered beyond our expectations. Their work is colourful and their designs amazing.

Cody has been nothing but professional, timely and flexible with our events – he has helped entice people to come and participate in our Family Day at the following locations to date:

Logan  
Mitchelton  
Tweed Heads  
Beerwah  
Brisbane CBD  
Fortitude Valley

....and I will be booking them for another set of events on the East Coast next year. I have been recommending them to anyone who needs fun, colour and excitement at their events, weddings and parties.

Considering the business I am in and the importance of successful events, it is imperative to me to have staff I can trust and rely on to deliver every time. I have had full confidence in Cody and team since the beginning and only wish I had found them sooner.

I have no hesitation in recommending Cody Freeman and Twisted Designs at any stage. Should you require a verbal reference please do not hesitate to call me on the number below.

Yours sincerely,

Angela Vanderlouw
